Regular Meeting of Webster Township

Meeting

BEAR GRAPHICS 800-325-8094 FORM NO. 10148

Held February 14, 2022 7:30 A.M. 20

Township Officers Present:

Trustee Mark Bushman, Chairman
Trustee Isaac Bailey
Trustee Jim Cajka
Fiscal Officer Julie Foos

Others Present: Randy Aspacher

The meeting opened with the Lord's Prayer. The minutes from the January 24, 2022 meeting were read and approved.

Isaac Bailey reported the storage building passed the County's final inspection.

Mark Bushman mentioned the hall ran out of propane after the last snow storm, but L.A. Bexten, Inc. came right out to fill it up. Randy Aspacher said Mid-Wood, Inc. filled up the fuel tank unprompted before the last snow storm.

The Trustees and Julie Foos discussed the requirements for building a shelter house.

The Trustees and Randy Aspacher discussed the logistics of getting electricity from the storage building to the concession stand. Randy Aspacher can rent a trencher and get the wire for the project. Randy Aspacher asked if the Trustees want a meter box on the building. Jim Cajka does not think Toledo Edison will install a second meter, but the township could install one to monitor usage.

There was nothing to report on a new fuel tank, the sign grant, or the community clean-up day.

Julie Foos gave the Trustees the sample lease agreement that Velocity provided. No action was taken.

Jim Cajka and Randy Aspacher looked at the spreader box Troy Township has for sale, and they believe it is a good buy. Mark Bushman asked Isaac Bailey to check if the County has any cold mix on hand to fix some potholes. Jim Cajka said one of the overhead door openers at the hall quit working during the last snow storm, so Sarver and Sons Construction replaced it. Isaac Bailey made a motion to replace the other opener. Jim Cajka seconded the motion, and all were in favor. Randy Aspacher reported the big truck lost a shoe, but he found parts for it in Kalida. Randy Aspacher mentioned the township only has one blade for the big truck, but it is in fine condition. Isaac Bailey made a motion to get the parts for the shoe. Mark Bushman seconded the motion, and all were in favor. Randy Aspacher said the tractor is at Redline Equipment to have a block heater and strobe lights installed. The Trustees discussed what to do with the corner of Silverwood Road and State Route 105. There are so many buried wires that the only good option is to raise the road. Mark Bushman would like to ask the County to try to fix it before they tar and chip Silverwood Road this summer. Randy Aspacher would like to see Webster Road improved where the pipelines go underneath it. Jim Cajka will ask Premier Patching to look at the area.

Mark Bushman moved to approve the road mileage certification. Isaac Bailey seconded the motion, and all were in favor.

Isaac Bailey is working with GovDeals.com to sell some office equipment.

Randy Aspacher thinks the kiosk for Webster Township Cemetery will have to be built on site when it gets warmer.
